HUSKY 4 Immigrants

HUSKY 4 Immigrants

@4_husky

"I treated a 10 year old boy who had been seen in the ER 5 times this year. I asked the family what medications he takes at home when he has difficulty breathing. His mother bowed her head and said "we don't have medications, we don't have insurance." Dr Pandya, Pediatrician

Breakout Rooms: *Participants Self-Select*

Room 1 (Vicki and Alice): MLP Development and Implementation - Brand New MLP

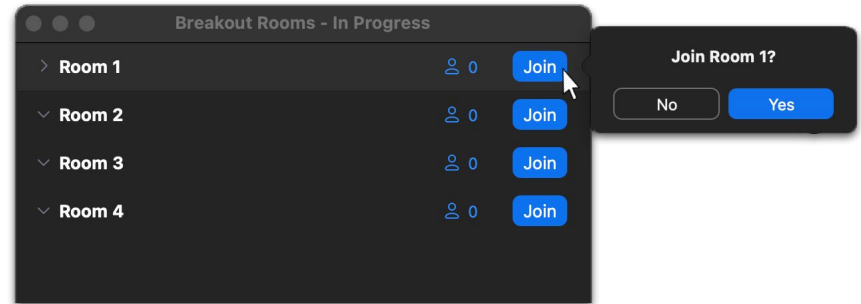

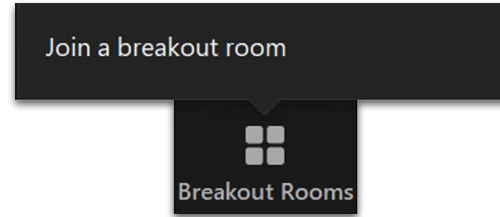

Room 2 (Roxy): MLP Development and Implementation - Early Implementation

Room 3 (Lisa and Bethany): Research & Evaluation

Room 4 (Ada): MLP Training - Best Practices in Constructing an Educational Session
for Providers

How to Select Your Breakout Room

1. Select “**Breakout Rooms**” from the meeting controls.
2. Select “**Join**” next to the discussion you wish to participate in.
3. Confirm your Selection.

“Quality, equitable health care is a right, not a privilege.”

FACT SHEET: Biden-Harris Administration Announces Initial Actions to Address the Black Maternal Health Crisis

APRIL 13, 2021 | THE WHITE HOUSE

MLPs are answering the call to action through:

- Collaboration
- Intervention
- Advocacy
- Research

NCMLP will maintain the momentum. Please:

- Look out for announcements regarding the next Maternal & Child Health Learning Collaborative.
- Make sure your MLP is in the NCMLP database.
- Share your stories, updates, and research with us for dissemination support.
- Work with us to leverage opportunities to raise awareness and create systemic change.

Thank you to all of our Participants, Faculty, and
Special Guests for joining our first
